

# 1-Day Forklift

Inclusive of WorkSafe Ticket

Murray House Resource Centre and Tom Price & Sons have formed a cooperative partnership to deliver this course to our regional area.

The aim of this training course is to provide and enhance the skills and competencies of operators of forklift trucks, thereby reducing the risk of accident and injury in the workplace. This is approved by WorkSafe WA and meets all requirements of NOHSC: 7019. Our trainers are accredited Work Safe Assessors.

The aim of this training course is to provide participants with the knowledge and understanding to operate these machines safely and with confidence. By the end of the course the participants should be able to:

- Conduct pre-start and pre-operational checks
- Recognize danger areas
- Operate the Forklift Truck efficiently and safely through all areas of design use

On completion of instruction and revision, participants will be required to demonstrate their practical skills. They will also be required to complete a written assessment (support can be organised if there are literacy concerns)

<b>Time:</b>	8am to 3pm
<b>Cost:</b>	\$300.00 (Inclusive of passport photos, WorkSafe card, morning tea and lunch.)
<b>Student to Provide:</b>	2 x passport photos Letter to support previous forklift experience.
<b>Prerequisites:</b>	17 years of age (min) Photo ID required. Previous forklift experience
<b>Dress:</b>	Steel cap boots, casual clothing and a hat.

4 participants are required to run the 1-day Forklift course.
